

The 2020 Election

The Boulder County Democratic Party was fundraising in June. By July, the BCDP Field Team was immersed in GOTV planning — amidst a pandemic. Many LAD members, attendees and Board members are precinct leaders, area coordinators and volunteers for the party. **So the BCDP got creative:** not only were printed Voter Guides mailed to voters, there was an online voter guide, mini voter guides safely dropped at doors, postcards sent, a massive texting program (half a MILLION texts!), phone calls...culminating in a ***NINETY-TWO PERCENT TURNOUT of targeted voters!***

The 2020 Election

...we got rid of Cory.

(Perhaps the only republican who knows how to give a concession speech. 🤔)

But be prepared for him nosing around the Governor's race...?)

The 2020 Election

...we're stuck with buck.

BUT, did you know 2,500 Coloradans applied to be on the new Redistricting Commission? 😊

Aren't you glad you voted for X & Y in 2018?

We know we don't need to tell you how important it is to elect

Jon Ossoff & Rev. Raphael Warnock

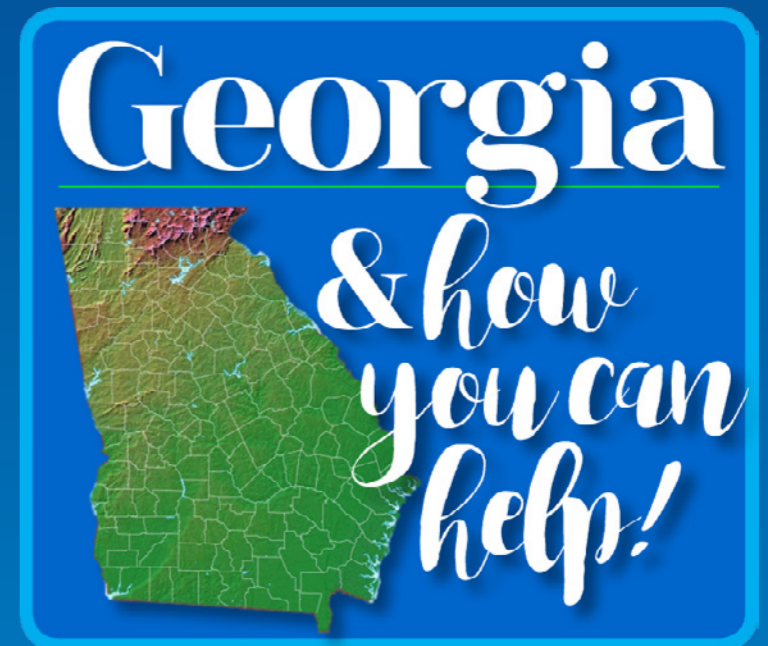

to the two

Georgia US Senate seats!
